\$390 per person (minimum of 4 people to secure booking, maximum of 5)

THE FINNISS RIVER

The Finnis River is home to a diversity of aquatic wildlife from Dolphins, Stingrays & Sharks to basking Crocodiles and Sea Eagles it sets the perfect platform for an experience on the water.

The Saltwater Finnis River is accessed from the Dundee Beach boat ramp, taking roughly 35 minutes transit along the coastline to reach the mouth of the Finnis River.

FISHING TECHNIQUES

Using both hard and soft plastics and a diverse range of baits and chemical lures you can take advantage of the knowledge and experience of a local angler which knows the sweet spots of the Finnis River.

Whether you prefer baitcasting or spinning reels we offer a range of tackle to make sure you have the right gear for either trawling or hitting that perfect spot.

CATCH GUARANTEE

A **Catch and Cook Guarantee** we source local Mud Crabs from the Finnis River, using pots strategically placed in the river system you can be assured of a catch every time and a meal that is authentically Australian ~ But this is more than just a fishing experience.

RESEARCH

Australian Wild Tours is partnered with the Department of Primary Industries (DPI) shark tagging program which uses tagging data from captured species to determine biological and ecological factors affecting population and distribution dynamics.

Australian Wild Tours encourages sustainable fishing practices and promotes key conservation initiatives in accordance with the Environment Protection and Biodiversity Conservation Act 1999 (EPBC Act)
